Subject: Financial Aid

Dear Students,

During the month of October PIA will be providing information on emergency financial aid grants through the Higher Education Emergency Relief Fund III. This is free money that doesn't need to be repaid.

Prior to receiving the HEERF III grant application, we would like to advise you of another potential means of financial assistance in addition to the HEERF III grant: you **might** qualify for an adjustment (professional judgement) to your 2021-22 FAFSA application if you have any of the following circumstances:

- Job loss
- Reduction of Pay
- Unusual medical expenses
- Death of parent or spouse

A professional judgment on your 2021-22 FAFSA is NOT required to receive the HEERF emergency financial aid grants. Please email financialaid@pia.edu or reach out to the financial aid department if you feel you have been affected by one of the above listed circumstances.
